REQUEST FOR ACKNOWLEDGMENT OF
RECEIPT OF PRIORITY DOCUMENT

Sir:

Applicant has received a Notice Of Allowance and Notice Of Allowability which fails to acknowledge receipt of the priority document filed in the above-identified application. Specifically, the Notice Of Allowability asserts that "None" of the certified copies of the priority documents have been received.

However, a Submission Of Priority Document was filed on July 9, 2004, and the Patent Office's Image File Wrapper for this application includes an "Artifact sheet indicating an item has been filed which cannot be scanned" bearing the same mail room date as that of Applicant's Submission Of Priority Document (July 9, 2004). Additionally, the Artifact Sheet indicates the missing document as "FRPR", which Applicant believes is "Foreign Priority". A copy of the Artifact Sheet is attached.

Thus, it is Applicant's understanding that although the Patent Office was unable to produce an electronic copy of Applicant's priority document, a certified copy of Applicant's priority document was received by the Patent Office.

Therefore, the Examiner is respectfully requested to inspect the Artifact Sheet and to acknowledge that a certified copy of the priority document was received.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office by telephone at (714) 540-8700. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

Michael J. Guzniczak
